A hand-drawn diagram of a login form. It consists of two rectangular input fields stacked vertically. The top field is labeled 'User name' and the bottom field is labeled 'Password'. Below these fields is a button labeled 'login', which is enclosed in an oval shape. The entire diagram is drawn with simple black lines on a white background.

2.

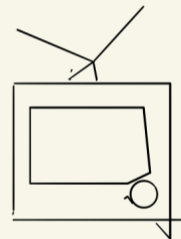

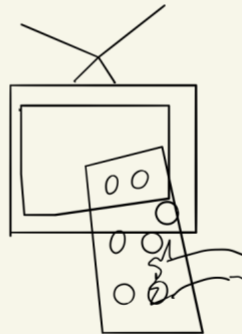

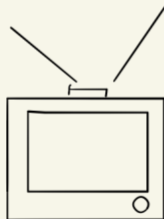

3.

## Process using splitting app:

1. After eating, call to check the bill
2. Open the bill splitting app and enter the total amount
3. Split by number of people and send invitation
4. Everyone pay his/her bill and tips
5. Finish when bill equal to the amount on receipt.
